

ACCV '16 Taipei, Taiwan

The 13th Asian Conference on Computer Vision (ACCV 2016)

November 20-24, 2016

視

The 13th Asian Conference on Computer Vision (ACCV 2016) will be held in Taipei on Nov. 20-24, 2016. ACCV is a leading international conference focusing on computer vision and pattern recognition.

Taipei, the capital city of Taiwan, is a modern cosmopolitan metropolis with a lively and diversified face, filled with exuberance. Being accessible by over 190 non-stop and direct flights from 56 major cities around the world makes it the perfect travel destination.

CALL FOR PAPERS

Topics of Interest

- 3D Computer Vision
- Physics-based Vision and Shape from X
- Illumination and Reflectance Modeling
- Computational Photography, Sensing and Display
- Low-level Vision, Image Processing
- RGBD and Depth Image Processing
- Segmentation, Grouping and Shape Representation
- Motion and Tracking
- Video Analysis and Event Recognition
- Action Recognition
- Face and Gesture
- Recognition: Detection, Categorization, Indexing, Matching
- Big Data, Large Scale Methods
- Convolutional Neural Networks and Deep Learning
- Statistical Methods and Learning
- Optimization Methods
- Performance Evaluation
- Biomedical Image Analysis
- Applications of Computer Vision
- Biometrics

The proceedings will be published by **Springer** in the *Lecture Notes in Computer Science (LNCS)* series. Best papers by students and researchers will be awarded. Award-winning papers will be invited for publication in a special issue of Computer Vision and Image Understanding (CVIU).

Important Dates

- Paper submission deadline: May 27, 2016
- Supplementary materials deadline: June 3, 2016
- Announcement of paper decisions: Aug.19, 2016
- Camera-ready paper due: Sep. 6, 2016
- Main Conference: Nov. 21-23, 2016
- Tutorials/Workshops: Nov. 20 & 24, 2016
